Coronavirus CLUB UPDATE - **IMPORTANT INFORMATION**

Following the latest guidance from the Government and the LTA regarding Coronavirus, it has clearly put the Club and the wider leisure and hospitality industry in a very difficult position by effectively passing the decision to either remain open or to close their business.

Therefore, both the Club, Josh and the coaching team have taken the decision to remain open for the moment but with some changes to activities which take place at the Club.

With immediate effect, ALL club organised group tennis (group coaching sessions, club nights and weekend social play) will be suspended up to and including Sunday 22nd March. We will notify you on Sunday if we plan to continue with this temporary suspension of group tennis.

Members can continue to use the courts on an individually organised basis. Coaches will still be offering and continuing private coaching at this time, please support them if you can during this difficult period.

If you are still continuing to use the Club, please be reminded of the guidelines already communicated to you with regards to reducing the risk of spreading the virus - <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response> . The LTA's current stance can be seen here- <https://www.lta.org.uk/about-us/tennis-news/news-and-opinion/general-news/2020/march/coronavirus-covid-19---latest-advice/>

ALTC will continue to view the latest guidance being given by the Government and if required, will take the necessary steps to ensure recommendations are put in place. In the meantime please can we ask that you abide by the guidance from the Health Professionals and if you show any of the symptoms of the virus to refrain from coming to the club throughout the specified isolation period. If you have been diagnosed with the virus, please can you email info@altc.net so the relevant action can be taken immediately.

Thank you for your co-operation and support during these difficult times.
