

Club Update – 27th November 2020

A quick update regarding the forthcoming new Government restrictions to be implemented from Wednesday 2nd December.

The LTA are still awaiting the publication of the Government's full, detailed guidance and legislation so that they can update the LTA full guidance documents for tennis venues, coaches, players and officials, detailing all protocols, procedures and information needed for tennis activity to take place safely and in line with Government guidelines. This was expected today but will now be received early next week.

Outdoor courts

It is anticipated the outdoor courts will be **AVAILABLE** for singles and doubles use. Therefore the outdoor courts are available to book via Clubspark for sessions starting on Wednesday 2nd December.

Indoor Centre

Court bookings for the indoor centre are **NOT AVAILABLE** to book until we receive the full guidance notes from the LTA.

Coaching programme

It is hoped the coaching programme will resume from Thursday 3rd December. Josh will send an update to all current coaching attendees.

Clubhouse facilities

To be updated once the full guidance documents have been received.

As soon as the LTA full guidance details are received, I will send a communication to members.

Thank you for your continued support.

Have a good weekend.
