

NHS Test and Trace at the Club – 25th September

Following the Government and LTA guidelines, the club has introduced the NHS Test and Trace App system for members/visitors to register when they visit the club. Various QR posters are displayed around the club site – at court entrances and the clubhouse entrance and windows. Please ensure you register on arrival.

The app can be easily downloaded on your phone beforehand – please be careful you download the correct version – NHS COVID-19 . These details are given on the QR posters.

IF YOU DO NOT HAVE ACCESS TO DOWNLOAD THE APP on your mobile phone, please ensure you:

- Register on arrival to Social Nights/weekends with the Social Organiser (normally Trevor, Mick or Mark).
- Saturday mornings – register on arrival to the clubhouse patio.
- If you purchase any refreshments from the club on Saturday mornings, please register when purchasing items.
- For those who are playing socially, a recording of your booking will be registered via Clubspark.

Thank you for your co-operation.

Tina
